**RESPONSE TO NOTICE UNDER 37 CFR 1.251 – PENDING APPLICATION**

Dear Sir:

This paper is in response to a Notice Under 37 CFR 1.251 – Pending Application with a mailing date of March 2, 2007, response to which is due by June 2, 2007 without extension, and which is therefore being timely filed.

REMARKS

Applicants submit herewith copies of the following correspondence in Applicants' possession, between the U.S. Patent and Trademark Office and Applicants for the above-identified application, and as requested in the Notice Under 37 CFR 1.251 – Pending Application, dated March 2, 2007, a copy of which is attached hereto. The documents comprise a complete and accurate copy of Applicants' record of all the correspondence between the Office and Applicants for the above-identified application (except U.S. patent documents). Any such correspondence known to Applicants, but not among these documents is addressed below.

No.	Date	Description

With regard to the Petition Decision – Granted, dated 09/29/2006 as listed on the attachment to the Notice Under 37 CFR1.251 – Pending Application (attachment to Item No. 1 above), it is Applicants' understanding that this refers to the granting of the Request for Expungement dated April 16, 2002 (Item No. 9 above), Applicants were apprised verbally on or about May 22, 2006 and June 9, 2006, that the Petition was being entered and would be granted.

However, Applicants have not to date received a copy of same. Applicants' undersigned attorney has made a diligent effort to locate same by searching the contents of Applicants' patent application file wrapper and the undersigned attorney's docketing records, and has been unable to locate this document. Therefore, it is Applicants' understanding that this document was never received by Applicant's undersigned attorney.

With regard to the "Petition Entered" document dated May 9, 2002, as listed on the attachment to the Notice Under 37 CFR1.251 – Pending Application (attachment to Item No. 1 above), Applicants have no record of receiving this document. Applicants' undersigned attorney has made a diligent effort to locate same by searching the contents of Applicants' patent application file wrapper and the undersigned attorney's docketing records, and has been unable to locate this document. Therefore, it is Applicants' understanding that this document was never received by Applicant's undersigned attorney.

With regard to the "Assignment of Appeal Number" document dated April 25, 2002, as listed on the attachment to the Notice Under 37 CFR1.251 – Pending Application (attachment to Item No. 1 above), Applicants have no record of receiving this document. Applicants' undersigned attorney has made a diligent effort to locate same by searching the contents of Applicants' patent application file wrapper and the undersigned attorney's docketing records, and has been unable to locate this document. Therefore, it is Applicants' understanding that this document was never received by Applicant's undersigned attorney.

Finally, although Applicants have provided a copy of the Examiner's "Response to Appellants' Reply Brief" (Item No. 9 above), since it is part of Applicants' file, **Applicants request this document be expunged** from the record in compliance with the document entitled "Petition Decision – Granted," dated September 29, 2006, as listed on the attachment to the Notice Under 37 CFR1.251 – Pending Application (attachment to Item No. 1 above).

CONCLUSION

Applicants respectfully request that the documents submitted herewith, as listed and discussed above, be entered and the application be approved for publication.

If a telephone conference would be of assistance in advancing prosecution of the subject application, Applicants' undersigned attorney invites the Examiner to telephone him at the number provided.

Respectfully submitted,
